Phone No.: +91-79-23275364 Fax No.: +91-79-23275380

REQUEST FOR BIDS

Gentlemen:

GERMI invites sealed techno-commercial bids for providing solution for power and weather monitoring for rooftop solar photovoltaic systems at its 200 kW rooftop solar photovoltaic and micro-wind systems at CMPDI Campus, Ranchi.

The solution shall consist of:

- i. Supply, installation and commissioning of hardware for monitoring of:
 - a. Output power of solar and micro-wind string inverters, and
 - b. Weather monitoring equipment such as radiation sensors, temperature sensors and anemometer
- ii. Remote monitoring services for the power and weather parameters monitored by the supplied hardware.

Bidders are requested to kindly bid for the same based on the specifications and terms and conditions given in the tender document. Please read the tender document carefully and bid only if all the terms especially related to payment are acceptable. The Security Deposit for the tender is Rs. 5,000.00 which needs to be submitted along with the technical bid.

Bids should be submitted to **The Director, GERMI** on or before 21st November, 2014. Director, GERMI reserves the right to accept or reject all the bids without giving any reason thereof.

----- Sd -----
Madhu Choudhary
Dy. Manager (Commercial)

2. INTRODUCTION

2.1 Overview of GERMI

- 2.1.1 Gujarat Energy Research & Management Institute (hereinafter referred to as “GERMI”, is promoted by Gujarat State Petroleum Corporation Ltd. (GSPC) which is a fully integrated energy company. It is one of the fastest growing state owned companies and has excellent support from Government of Gujarat.
- 2.1.2 GERMI is a centre of excellence in industry learning and has been set up to develop human resource assets to cater to the petroleum and allied energy sectors, improve knowledge base of policy makers and technologists and provide a competitive edge to leaders to compete in the global arena. GERMI has already established Pandit Deendayal Petroleum University which is actively pursuing initiatives in the areas of education and research in alternative energy resources.
- 2.1.3 GERMI plans to develop a World-Class Research Centre with all the high-tech state-of-the-art facilities. The research centre is currently at a very nascent stage and needs a long way to go. To begin this journey, it had already started working on various constancy projects and for once of such project this tender is floated.
- 2.1.4 Bids are invited for procurement and installation of **“solution for power and weather monitoring for rooftop solar photovoltaic and micro-wind systems”** as per the minimum desired specification given in this document.

2.2 Solar Energy Research Wing

- 2.2.1 As a part of this umbrella institute, GERMI has now established a Research and Innovation Centre, with three major research wings out of which one is Solar Energy Research Wing.
- 2.2.2 It is positioned to reach national energy goals by developing new ways to power our homes and businesses and to fuel our vehicles. It would allow us to develop and advance renewable energy and energy-efficient technologies more effectively.
- 2.2.3 A Solar Energy Research Lab has been established as the first initiative of this wing.
- 2.2.4 As befits a research institute of this stature, the institute’s Solar Energy research objectives are clear – the centre seeks to position itself on the forefront of the country’s R&D horizons by enabling discrete and interdisciplinary technologies and providing cutting-edge training and education so as to:
- Accelerate the deployment of solar and related energies for sustainable growth
 - Foster a clean environment to enhance human standards of living
 - Develop a skilled workforce and empower a young generation of leaders

3. ELIGIBILITY OF BIDDERS

3.1 Eligible Bidders

3.1.1 The Bidder should be an original instrument manufacturer

OR

3.1.2 The Bidder should be a selling agent/authorized distributor/authorized dealer/authorized supply house.

3.1.3 The Bidder should submit back-up authority letter from the concerned manufacturers who authorized it to market their product, provided further such an authority letter is valid atleast till the 60 days from the date of submitting the Bids.

3.1.4 Offers without back-up authority from the manufacturers will not be considered.

3.2 Experience

3.2.1 The Eligible Bidder shall have provided similar rooftop solar/ micro-wind monitoring solutions for at least 5 (five) numbers of systems of minimum capacity of 10 (ten) kilowatt each in India during the last 5 (five) consecutive years, and which should be working for minimum 1 (one) year till date. Documentary evidence in the form of copy of purchase orders, Installation reports etc. should be provided in technical bid.

3.2.2 The Eligible Bidder should have an average annual turnover of at least Rs. 50,00,000/- (Rupees Fifty Lakh Only) for the last three (3) consecutive financial years. Copy of Annual Accounts of last three years should be provided in the technical bid.

3.2.3 The Bidder should also mention the pre-requisites for **installation and operational necessities** in its bid, for which separate order shall be placed, if required.

3.2.4 The quotations submitted by any Bidder failing to meet all the requirements in clauses 3.1 and 3.2 above can be rejected by GERMI at its own discretion.

4. SUBMISSION AND EVALUATION OF BIDS

4.1 Preparation of bids

- 4.1.1 The bid should be in two different parts i.e. technical and financial bid.
- 4.1.2 The technical bid should comprise of the details regarding the specifications of the instrument, its brochures, other documents required such as manufacturer's authority letter, copy of previous purchase orders etc and the security deposit.
- 4.1.3 The financial bid should consist of the quotation for the scope of work.
- 4.1.4 Both the technical and financial bids should be submitted separately in two different envelopes, mentioning on top of each – Technical Bid / Financial Bid.
- 4.1.5 Both the envelopes should be properly sealed and put in a separate bigger envelop together and that sealed envelope should be submitted to GERMI, clearly mentioning on the top of it “Bids for procurement and installation of power and weather monitoring system for rooftop solar photovoltaic and micro-wind systems” and the “tender no. GERMI/SRW/2014/CMPDI/008”.

4.2 Security Deposit

- 4.2.1 The Bidder shall furnish, as part of its Bid, a Security Deposit in the form of a Demand Draft in the favor of Gujarat Energy Research and Management Institute, payable at Gandhinagar, Gujarat. The Bid Security amount shall be Rs. 5,000 (Rupees Five Thousand only) and shall be submitted along with the Technical Bid.
- 4.2.2 GERMI shall not be liable to pay any interest on the Security deposit so made and the same shall be interest free.
- 4.2.3 A Bid submitted without the Security deposit shall not be considered and summarily rejected.
- 4.2.4 The Demand Draft by the Bidder shall be given from Nationalized/Scheduled bank only.
- 4.2.5 The Security deposit shall specifically bind the Bidder to keep its offer valid for acceptance and to abide by all the conditions of the tender document in the event of the GERMI desiring to award the work to the said bidder.
- 4.2.6 GERMI shall have an unqualified discretion to invoke the Demand Draft and claim the amount there under in the event: (i) bidder fails to keep the Bid valid up to the date specified; or (ii) refuses to unconditionally accept purchase order and carry it out in accordance with the bid in the event such bidder is chosen as the successful bidder.
- 4.2.7 GERMI shall, however, arrange to release the Security deposit in respect of unsuccessful bidders, without any interest, as soon as possible after a decision is taken about the award of the tender.
- 4.2.8 The Security deposit in respect of the successful bidder shall be released once the bidder accepts the purchase order unconditionally.
- 4.2.9 The Security deposit shall be forfeited and appropriated by GERMI as mutually agreed genuine pre-estimated compensation and damages payable to the GERMI for, inter alia, time, cost and effort of GERMI without prejudice to any other right or remedy that may be available to GERMI hereunder or otherwise, under the following conditions:

- 4.2.9.1 if a bidder submits a non-responsive bid;
- 4.2.9.2 if a bidder engages in a corrupt practice, fraudulent practice, coercive practice, or restrictive practice;
- 4.2.9.3 if a bidder withdraws its bid during the period of bid validity as specified in this tender; or
- 4.2.9.4 in the case of successful bidder, if it fails within the specified time limit to accept the purchase order with its original terms and conditions;

4.3 Submission of bids

4.3.1 Last date for submission of bids is 21st November, 2014 by 1500 hrs. Director, GERMI reserves the right to reject any/all offers without assigning any reasons thereof.

4.3.2 Bids should be submitted to:

The Director

Gujarat Energy Research and Management Institute,

1st Floor, Energy Building, Pandit Deendayal Petroleum University Campus,
Raisan Village, Gandhinagar, Gujarat – 382007, India

Any queries related to the tender may be addressed to the following person:

Ms. Madhu Choudhary,

Dy. Manager (Commercial)

Email: madhu.c@germi.org

Ph.: +91 79 23275364

Mr. Pulkit Dhingra

Project Officer (Solar)

Email: pulkit.d@germi.res.in

Ph.: + 91 79 23275379

4.4 Opening of Bids

4.4.1 All the bidders are invited for opening of the bids. If there is any extension in the deadline of submission of the bids, then the date of opening of bids shall also be extended by that date.

4.4.2 Technical bids will be opened on 21st November, 2014 at 1530 Hrs in the presence of the bidders and financial bid of qualified bidders shall be opened on the same day at 1430 Hrs.

4.4.3 Meanwhile our Committee shall evaluate the technical bids for the eligibility of bidders just after opening the technical bids.

4.4.4 Financial bid of those bidders shall be opened who qualify the eligibility and minimum experience criteria.

4.5 Evaluation of Bids

4.5.1 The Bidder shall clearly indicate separately all unit costs of its supply, installation, commissioning, monitoring services, taxes, freight and shipping, excise and duties, etc.

4.5.2 The Technically and Financially qualified Bidder with the lowest overall cost shall be selected as the Successful Contractor.

5. GENERAL TERMS AND CONDITIONS

5.1 General Instructions

- 5.1.1 Completeness of the instrument shall be the responsibility of the Bidder. Any instrument, fittings and accessories, which may not be specifically mentioned in the specification or drawing(s) but which are usual or necessary for the satisfactory functioning of the instruments (successful operation and functioning of the instrument being Bidder's responsibility), shall be provided by the Bidder without any extra cost.
- 5.1.2 The instrument shall be manufactured in accordance with sound engineering and good industry standards and also the Bidder shall in all respect design, engineer, manufacture and supply the same within delivery period to the entire satisfaction of GERMI.
- 5.1.3 The supply shall be carried out strictly in accordance with the specifications or as directed by GERMI.
- 5.1.4 The Bid should be valid for **at least 120 days.**
- 5.1.5 Income tax and other statutory dues shall be deducted from the Bidder's bill as per Govt. of India rules.
- 5.1.6 Time allowed for completion of work shall be strictly followed; otherwise the Contractor shall be liable to pay **compensation at the rate of 1 % of the purchase order value** per week of delay on the part of the Bidder subject to a maximum of 10 % of the total value.
- 5.1.7 All or any Claim(s), dispute(s) or difference(s) arising out of or in with connection with this work shall be subject to the jurisdiction of the Courts at Gujarat only.

5.2 Materials and Workmanship

- 5.2.1 The Bidder shall supply & deliver the instrument at the site. The Bidder shall arrange for **transportation, loading and unloading of materials at project site at its own cost & risk.**
- 5.2.2 The Bidder shall be responsible for securely protecting and packing the instrument as per prescribed standards in force to withstand the journey and ensuring safety of materials and also arrival of materials at destination in original condition and good for contemplated use.
- 5.2.3 In order to import any items, associated with the GERMI from abroad or from any other state in India, **Bidder shall have to arrange any clearance, permission, if required at its own cost and risk, from any Government** (Government of Jharkhand & Government of India) or any Government controlled organization, for transportation of materials from manufacturing shop to delivery at site. Necessary certificates if so required shall be issued by the GERMI within reasonable time after getting written request from the Bidder along with the necessary documents substantiating necessity of such approvals.

5.3 Warranty/Guarantee

- 5.3.1 The Bidder should transfer the original warranty received from the manufacturer to the GERMI.
- 5.3.2 **A comprehensive five (5) years warranty should be provided. Such warranty should cover the original instrument, all accessory instruments that work in conjunction with the main**

instrument and for workmanship also and everything should be clearly specified. If Client discontinues the services before 5 years then also warranty shall be applicable.

- 5.3.3 The Bidder must ensure that the goods supplied are new, unused and of most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise.

5.4 Time Schedule of Work in detail

- 5.4.1 The time allowed for completion of work shall be **30 (Thirty) days or less**, which shall be reckoned from the date of issue of Purchase Order or advance payment, whichever is later.
- 5.4.2 Strict adherence and guaranteed delivery schedule shall be the essence of the contract.

5.5 Terms of Payment

- 5.5.1 The financial bid should clearly have two parts i.e. supply cost and service cost.
- 5.5.2 The 20% of the supply cost shall be payable as advance on submission of invoice after receiving the purchase order.
- 5.5.3 Remaining 80% of the supply cost shall be payable on receiving the invoice for remaining amount after complete delivery of all the items and installation of the same successfully at site.
- 5.5.4 100% of service cost shall be payable after completion of the respective year on receiving the invoice for the same.
- 5.5.5 The normal terms of payment are 100% of the payable amount shall be paid within 30 days time after receipt of invoice.
- 5.5.6 Subject to any deduction which GERMI may be authorized to make, the Bidder shall be entitled to payment as follows:
- a) All payments shall be made in Indian Rupees or the currency in which the bid has been received.
 - b) The Bidder shall submit the bill / invoice showing separately VAT, Service Taxes and any other statutory levies in the bill / invoice.
- 5.5.7 Purchases should normally be made on firm prices. However, statutory variation on account of change in customs duty, excise duty, could be allowed to Bidders if so agreed and mentioned in the Purchase Order.
- 5.5.8 The Bid should specify separately the F.O.B. price, C.I.F., CIP price and the customs duty payable. They will also indicate correctly the rate of customs duty applicable along with Indian customs tariff number. In case of Indian Bidder, total deliverable cost including breakup of the applicable taxes, levies etc. shall be provided as part of the Bid.
- 5.5.9 In case where all the Bidders have quoted only for imported instrument against forwarded delivery, the quotes will be evaluated on prices exclusive of customs duty. In such case the amount of customs duty as legally liable calculated by reference to the tariff value of the instrument declared by the Bidder.

5.6 Technical data

5.6.1 Each Bidder must submit along with its Bid, the technical data for all items separately along with the installation and operational requirements.

5.7 Operating instruction & maintenance manual

5.7.1 The Bidder shall submit essentially the comprehensive operating instructions, maintenance schedule and log sheets for the equipments. This shall be supplementary to manufacturers operating and maintenance manuals.

5.7.2 On Site Training: The Bidder shall arrange the required training to get the instruments operated skillfully and safely.

5.8 Maintenance during warranty period

5.8.1 **Complaints:** The Bidder shall agree to receive calls for any and all problems experienced in the operation of the instrument, attend to those within 48 hours of receiving the complaints and shall take steps to immediately correct any deficiencies that may exist at no cost to owner.

5.8.2 **Repairs:** All instruments that require repairing shall be immediately serviced and repaired. All replacement parts and labor during the period of warranty should be supplied promptly *free of charge* to the owners.

5.8.3 **Warranty replacement:** Replacement of parts, if required, during the warranty period shall be supplied *free of cost* by the Bidder. All charges shall be paid by the Bidder for release of spare parts from the customs. Kindly note that only custom papers shall be provided by GERMI.

5.9 Insurance coverage

5.9.1 The instrument ordered shall be insured by the Bidder for the onward journey from the factory up to the Site until they are installed, commissioned and handed over to GERMI representative. Any loss on account of any incident before installation, commissioning and handing over shall be full responsibility of the Bidder.

5.10 Other general terms

5.10.1 The manufacturer or and its authorized agents/ dealers representatives are requested to quote for all possible variants and models along with optional components and attachments. The sample preparation components as required for a specific model should also be quoted.

5.10.2 The manufacturer/Bidder (or the Indian Agents) of the instrument shall erect & commission them at the site and demonstrate the performance of the instrument as per their claims.

5.10.3 Not used

5.10.4 The complete instrument & all accessories shall be guaranteed for satisfactory performance.

- 5.10.5 The Bidder shall provide at least one hard copy of operation and maintenance manuals along with complete circuit diagram of the main instrument and all its accessories.
- 5.10.6 If GERMI desires, the Bidder directly or through its representatives should be ready to take up the Monitoring of the instrument post the warranty period for a period of 5 years.
- 5.10.7 The manufacturer or and its authorized agents/ dealers representatives may have to provide an onsite training of the operation of the said instrument to the suitably assigned person/persons by the competent authority of GERMI.
- 5.10.8 Specific requirements of samples, space and working environment desired for the best/optimum performance of the instrument should be mentioned. The installation space, temperature and other working conditions should also be mentioned.
- 5.10.9 The place of delivery for all instruments is CMPDI Campus, Ranchi.
- 5.10.10 Software or any IT requirements viz. computer, printer, monitor and allied accessories should be mentioned in the quote under basic requirements head.
- 5.10.11 All the instruments should be quoted with price distribution for all essential and optional attachments, spare parts, maintenance kit (tool set), operational consumables, standards whichever is applicable.
- 5.10.12 Essential instrument spares for 5 years should be quoted as an option for all instruments and instrument downtime should not exceed 24 working days with component breakdown. Supporting documents to this effect should be attached.

6. TECHNICAL SPECIFICATIONS

6.1 Minimum Desired Technical Specifications

6.1.1 The rooftop solar and micro-wind installations at CMPDI Campus, Ranchi are as follows:

- a) CPEI Building consists of net 58.8 kW of solar PV and micro wind turbine capacity as follows:
 - i. 21.6 kW PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter
 - ii. 21.6 kW PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter
 - iii. 5.4 kW PV system connected to 20 (twenty) numbers of Darfon MIG240 micro-inverters
 - iv. 5.1 kW micro-wind turbine connected to one (1) number of Ginlong GCI-5K-2G-W grid-connected wind inverter
 - v. 5.1 kW micro-wind turbine connected to one (1) number of Ginlong GCI-5K-2G-W grid-connected wind inverter
- b) Community Hall consists of net 48 kW of solar PV capacity as follows:
 - i. 24 kW PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter
 - ii. 24 kW PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter
- c) RI-III (Old Building) consists of net 43.2 kW of solar PV capacity as follows:
 - i. 21.6 kW PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter
 - ii. 21.6 kW PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter
- d) R&D Building consists of net 30.6 kW of solar PV capacity as follows:
 - i. 10.2 kW of PV system connected to one (1) number of REFUsol 010K grid-connected PV inverter
 - ii. 20.4 kW of PV system connected to one (1) number of REFUsol 017K grid-connected PV inverter
- e) STC Building consists of net 20.4 kW of solar PV capacity as follows:
 - i. 20.4 kW of PV system connected to one (1) number of REFUsol 020K grid-connected PV inverter

6.1.2 Further, the CPEI Building also hosts the following weather monitoring equipment:

- a) One (1) number of Solar Irradiation Sensor (Ingenieurbüro Mencke & Tegtmeyer GmbH, Model No. SiS-13TC-T)

- b) One (1) number of Solar Irradiation Sensor (Ingenieurbüro Mencke & Tegtmeyer GmbH, Model No. Si-RS485TC-2T-v-SL) connected to a temperature sensor (Tamp-Si) and anemometer (Vwind-Si).

6.2 Scope of Work

6.2.1 Supply, Installation and Commissioning

- a) The Contractor shall supply, install and commission all relevant hardware and software for monitoring the performance of building-wise renewable energy generating systems independently.
- b) The monitoring of the individual micro-wind turbines shall be monitored independently.
- c) The monitoring of the micro-inverter PV system shall be monitored independently as a group.
- d) All weather equipment shall be monitored independently.
- e) All energy generation and weather data shall be available on the same software platform and also visible on one common screen/ user interface.
- f) It is desirable to have minor analytics to compare the theoretical output of the renewable energy generation systems compared to the actual output.
- g) The hardware shall be connected to the cloud only via GSM/ GPRS. No LAN or Ethernet shall be available for connectivity of the supplied equipment.
- h) The inverters of weather sensors are not in the scope of supply.

6.2.2 Monitoring Service

- a) The Contractor shall provide up to five (5) years of online monitoring services including any upgrades in its software.
- b) The monitoring service shall include a complete graphical user interface to represent all the monitored power and weather parameters.
- c) The monitoring service shall be capable of providing logs of monitored power and weather parameters in a downloadable excel or data format.
- d) The monitoring service shall be capable of logging user-defined fault conditions and also preferable sending out error signals in the form of emails and/ or SMS.

6.2.3 General

- a) The Bids submitted by the Bidder shall be inclusive of all costs including supply, installation, commissioning, monitoring services, transportation, taxes, freight and shipping, excise and duties, etc.
- b) The Bidder shall make itself aware of all costs involved in undertaking the Scope of Work in order to quote accurately.
- c) The Contractor shall provide a comprehensive five (5) year warranty on its supplied products, workmanship. If Client discontinues the services before 5 years then also warranty shall be applicable.

6.2.4 Deviations

- a) No deviations shall be allowed in the Scope of Work. However, under exceptional cases, in case of any deviation, the deviation should be clearly mentioned by the Bidder.

- b) In case any Bidder does not bid for a particular head/Work such as installation or commissioning, the highest bid price among all the qualified Bidders shall be applied to the respective heads for that particular Bidder, for the evaluation purpose only. However, the Bidder shall not be required to undertake that activity.
- c) GERMI reserves the right to accept or reject any deviation proposed by the Bidder without giving any reason thereof.

7. PRICE FORMAT

7.1 The Bidder shall have to provide a Financial bid as per the format given below:

Bidder's Name: _____

Bid no: _____ Validity of Bid: _____

Gross weight of the consignment (In KG): _____

Dimension (L X B X H) of each package and number of packages: _____

Sr.	Head	Unit Cost	Qty.	Net Cost	Freight & Shipping	Excise & Duties	CST/ VAT/ Service Tax	Total
	(A)	(B)	(C)	(D=BxC)	(E)	(F)	(G)	(H=D+E+F+G)
1.	(Hardware 1)							
2.	(Hardware 2)							
3.	(Hardware 3)							
4.	(Hardware 4)							
5.	(Hardware 5)							
6.	Installation							
7.	Commissioning							
8.	I. Total Supply, Installation & Commissioning Cost							
9.	1 st Yr. Monitoring							
10.	2 nd Yr. Monitoring							
11.	3 rd Yr. Monitoring							
12.	4 th Yr. Monitoring							
13.	5 th Yr. Monitoring							
14.	II. Total Monitoring Cost							
15.	Evaluated Bid Value: EBV = I+II (i.e. Line 8 + Line 14)							

Notes:

- Sales tax should be quoted without Form C. GERMI will not issue Form 'C' to the Indian Bidder.

8. NO DEVIATION CERTIFICATE

(To be signed and submitted on Company's letter head)

Date:

To
The Director,
Gujarat Energy Research and Management Institute
1st Floor, Energy Building,
Pandit Deendayal Petroleum University Campus,
Raisan, Gandhinagar, Gujarat - 382 007, INDIA

Sub: No Deviation Certificate regarding Procurement and Installation of power and weather monitoring system for rooftop solar photovoltaic and micro-wind systems for GERMI's CMPDI project at Ranchi

Reference: Tender No. GERMI/SRW/2014/CMPDI/008

Dear Sir,

We, _____ (Bidder's name),
confirm our acceptance to all terms and conditions mentioned in the tender document, and all subsequent clarifications, in totality and withdraw all deviations raised by us, if any.

Sign: _____

Name: _____

Designation: _____

Seal of the Bidder

9. COVERING LETTER FOR BID

[Covering Letter shall be on the official letterhead of the Bidder.]

[Reference No.]

[Date]

To:

The Director

Gujarat Energy Research and Management Institute
1st Floor, Energy Building
Pandit Deendayal Petroleum University Campus
Gandhinagar, Gujarat 382 007, INDIA

Sub: No Deviation Certificate regarding Procurement and Installation of power and weather monitoring system for rooftop solar photovoltaic and micro-wind systems for GERMI's CMPDI project at Ranchi

Reference: Tender No. GERMI/SRW/2014/CMPDI/008

Dear Sir,

I, [Name of Authorized Representative], the authorized representative of..... [Name of Company], having read, examined and understood in detail the tender document no. GERMI/SRW/2014/CMPDI/008 and hereby submit our Bid comprising of Technical and Financial Bids.

We give our unconditional acceptance to the tender document including but not limited to all its instructions, terms and conditions, and formats attached thereto, issued by GERMI, as amended. In token of our acceptance to the tender document, the same have been initialled by us and enclosed with the Bid.

We accept that all decisions made by GERMI in respect of any matter regarding or arising out of the tender document and same shall be binding on us.

We hereby expressly waive any and all claims in respect of the Bid process.

We undertake that we fulfil the requirement enabling us to become eligible for Bidding for the tender.

We have enclosed the requisite Security Deposit of Rupees Five Thousand Only (Rs. 5,000.00) as per the provisions of the tender in the form of Demand Draft No. [Demand Draft No. here] from [Bank name] dated [date].

We confirm that there are no litigations or disputes against us, which materially affect our ability to fulfil our obligations with regard to fulfilling our obligations as per the tender. We also confirm that we are not blacklisted by any company, private or government.

The information submitted in our Bid is complete, strictly as per the requirements stipulated in the tender and is correct to the best of our knowledge and understanding. We would be solely responsible for any errors or omissions in our Bid.

We confirm that all the prices, terms and conditions, etc. of our Bid are valid for acceptance for a period of one hundred and eighty (180) days from the Bid Submission Deadline.

Details of the contact person representing our organization for the Bid process are as follows:

Name :
Designation :
Organization :
Address :
.....
.....
Mobile :
Phone :
Fax :
Email :

All the necessary submissions are attached herein as per the formats and methods specified in this tender.

Thanking you,

Sincerely yours,
