

## **Gujarat Energy Research & Management Institute (GERMI)**

### **Invitation to support R&D projects**

An opportunity to contribute to R&D activities of one of the leading research organization of country: Gujarat Energy Research & Management Institute (GERMI). GERMI is an ISO 9001:2008 certified non-profit organization and has been recognized by the Department of Scientific and Industrial Research (DSIR), Government of India, as Scientific and Industrial Research Organization (SIRO). GERMI is a scheduled auditor for environment by Gujarat Pollution Control Board (GPCB) and Energy auditor by Gujarat Energy Development Agency (GEDA). All donations made by the Industries / Firms / Individuals to GERMI will be directed towards scientific research activities, for which the donors receive 175% tax exemption under section 35(1)(ii) of Income Tax Act, 1961.

This will create a niche market for employment and foster skill that is required to meet energy demands of our country, which is in-line with our Prime Minister's skill development program.

GERMI is also engaged into:

- ❖ First National Certification Program (NCP) for Rooftop Solar PV Installation
- ❖ E-Course on Design of Wastewater Treatment Units
- ❖ Innovative Projects in Oil and Gas

Please visit [www.germi.org](http://www.germi.org) to know more details about the institute's activities.
