

GERMI conducts training for young geoscientists of oil & gas industry

Gujarat Energy Research & Management Institute (GERMI) organised a training programme on "Fundamentals of Seismic Data Interpretation & Evaluation", at the Pandit Deen Dayal Petroleum University PDPU campus, Gandhinagar from 10th to 14th March.

The programme has been specifically designed for young geoscientists working in oil and gas exploration

sector. The training program was inaugurated by **Shri Sameer Biswal** (Director-Exploration G&G, GSPC) The course instructor was Shri NC Nanda a renowned explorer who has more than 50 years of experience in Oil and Gas exploration.

The course was attended by 28 young Geologists, Geophysicists, Petroleum Engineers and Geochemists from different Oil & Gas companies (BPCL, IOC, GSPC) and Andhra Pradesh and Cochin Universities.

The course was aimed at helping young geoscientists to understand the principles of geology and geophysics and to identify the evolution of a geological basin for oil exploration. The event was coordinated by Shri PH Rao, Head-DIC group.

The course concluded on 14th March 2014 and certificates were presented by Director-General, Institute of Seismological Research Dr. Rastogi. GERMI Director Dr. T.Harinarayana presided over the function.

Shri Samir Biswal (5th from R to L), Shri NC Nanda (6th from R to L), Prof. T. Harinarayana-Director-GERMI (7th from R to L), Shri PH Rao (8th from R to L), Dr. Zaheer Hasan (9th from R to L) and others from GERMI alongwith the participants.
